**MOTION EXCEPTING ELECTRONIC CASE FILING  
OF THE ADMINISTRATIVE RECORD**

The Defendant hereby moves the Court, pursuant to ¶ 5.09, Administrative Practices & Procedures for Electronic Case Filing (April 18, 2005), to allow the paper filing of the administrative record. The Defendant would show that the administrative record contains sensitive documents, such as medical and identification information, and that filing by electronic means (ECF) may compromise the security of Plaintiff's personal information. Wherefore, Defendant requests that this motion be granted excepting the filing of the administrative record by ECF means and permit filing by hand delivery to the Court Clerk.

Respectfully submitted,

EDWARD M. YARBROUGH  
United States Attorney for the  
Middle District of Tennessee
